

[LAA] Language Acquisition Abroad

We are EXPERTS in Language training, Regional Expertise & Cross cultural competence - 90 languages - 140 countries - 24/7 Support

We offer over 25 years of experience providing CONUS & OCONUS services to the Department of Defense and various other US Government Departments and Agencies. We offer a variety of services, each mission is uniquely designed & tailor made to our clients unique goals and objectives.

We have the proven ability and expertise in providing these services to our clients **WORLDWIDE.**

GLOBAL LANGUAGE SERVICES

- LANGUAGE & CULTURAL Training 90+ Languages / 140+ countries

Open to all language levels, our “standard” program offers 20 - 30 hours per week of language classroom combined with culture study either in small group classes or private tutor. Students participate in out-of-class activities and weekly field trips. Usually living with an approved/vetted native host family. We have an unlimited choice of study options , program lengths and accommodation options.

- CUSTOM TAILORED Programs

For all language levels, we will design a program based upon your request, budget and mission requirements....

- ISOLATION Language Training (ISO)

The goal of the ISO immersion is to enhance the students learning experience by allowing them to interact in a more realistic environment which includes task based exercises using local instructors

- LIVE Environment Training (LET)

Intensive program aimed at intermediate to advanced language students. Language training includes comprehensive regional & cultural understanding, area dialects and structured interactions.

- AREA Studies Immersion (ASI)

Advanced program for experienced, advanced or native speakers usually 3/3 DLPT. Increased lessons per day, Includes additional comprehensive regional & cultural classes in the

afternoon, discussions, debates, guest speakers, on local topics - Religion, Politics, Economics, Security, Military Conflicts, Human rights, etc.

- POWER Language Immersion (POWER)

Intensive program aimed at intermediate to advanced language students in country. Increased number of lessons per day living and training with native tutor. Includes comprehensive regional & cultural understanding - completely immersed in the target language.

- FOREIGN Area Officer (FAO)

This program develops Foreign Service Officers/Diplomats for work in international affairs by facilitating language, regional knowledge, and cultural immersion. Offers significant interaction with host-nation nationals and/or host-nation entities, US Policy formulation and implementation in the region.

- ONSITE Language training (Military bases/ Installations/Embassies)

We provide professional tailored language training or regional expertise support to government and military clients worldwide based around the clients schedule and availability.

- STRATEGIC Engagements

We offer these support services via our regional team & in-country partners to enable our clients to operate a successful mission in difficult locations worldwide – 24/7

OUR TEAM

Our team is the most experienced, passionate and knowledgeable in the industry. With over 25 years experience, thousands of successful short-term and long-term missions complete, we have the expertise.

We are committed to implementing high standards of confidential service, security, quality instruction and cultural awareness...**helping bridge the gap between cultures.**

What our clients say about us

"In all seriousness, we deeply appreciate the level of support you provided to Lt R and directly to SB this weekend. As we reported to our colonel this morning, you guys gave SB the same kind of care he would have received from a military chain, and we couldn't ask for anything more."

USAF Senior Officer

"My language immersion program was a very positive experience, my language instruction provided was very well organized and my teacher was very skilled and professional, over all the experience was very good."

"Changing my arrival date to arrive in time for the Dubai air show and getting all coordination done prior to my arrival was key to making the part of my immersion a success. Thank you!"

USAF Officer
